Field Trip Permission Form

I grant permission for my child to travel on camp sponsored field trips aboard air-conditioned motorcoach buses furnished by American Coach Bus Lines, Inc. It is further understood by both, myself, the parent/guardian, and by my child that safe and responsible behavior will be exhibited during the ride to and from the various destinations and at the field site throughout the camp sessions. If safe and responsible behavior is not exhibited by my camper, I understand that future participation in the field trip experience away from the base camp will be denied.

Nothing contained herein shall create a responsibility on the part of Parkland to offer complete safety instruction or liability for failure to do so. As a parent, I shall be responsible for insuring that my child acts safely and responsibly.
