

## Teen Program Survey

The City of Parkland has a year round Teen Program for teens ages 12-17 that participate in a variety of teen appropriate activities. We ask you to fill out this survey to help us gain a better understanding of what activities are of interest to you. We have listed some ideas, but please give us your suggestions if something else appeals to you. These activities would be coordinated by the City's Leisure Services Department. Your input would be greatly appreciated.
