Dear Potential Dog Park Sponsor,

Barkland opened to much fanfare on January 7, 2012. Since its opening, Barkland has become one of the most heavily visited dog parks in Broward County. Visitors and their dogs have taken advantage of and enjoyed our beautiful two acre park which features separate areas for large and small dogs, dog play equipment, water stations, covered pavilions, picnic benches, and a dog wash station. It has become a wonderful park for both dogs and their owners.

Dog Parks benefit all members of the community. Dogs who are exercised regularly are better neighbors. They are quieter, better behaved, and are friendlier with both people and other dogs. Dog Parks promote responsible dog ownership. Dog owners learn “doggie manners” from other owners who use the dog park on a regular basis. However, this park isn’t just for dogs. It is for dog owners who want to exercise their beloved pets in a safe environment and socialize with people who have similar interests.

This is your opportunity to become a partner in the City of Parkland Dog Park by becoming a sponsor of the Dog Park. The City of Parkland has the following sponsorship opportunities available:
