

# City of Parkland

[www.cityofparkland.org/partners](http://www.cityofparkland.org/partners)

In keeping with the City of Parkland's slogan of "Environmentally Proud" the City Commission has established a program to recognize environmentally friendly businesses. If your Parkland business is taking steps to reduce waste, recycle, or any other initiatives that are considered environmentally friendly, we want to hear from you. Complete the application and submit to Parkland City Hall. Applications will go through a committee review. Upon approval business owners will be recognized at a City Commission meeting and given their Environmental Partner sticker to display on the business door.
