Parkland City Hall is a Government Building.

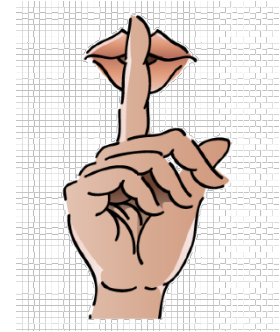

At City Hall, I will use:

Walking Feet

Listening Ears

Inside Voices

I will also:

Be polite to others

Follow directions

As I enter City Hall, it might be bright from all of the windows. I can put sunglasses on to shade my eyes.

There is a desk where I can ask for help. I will be polite and ask for help at the desk.

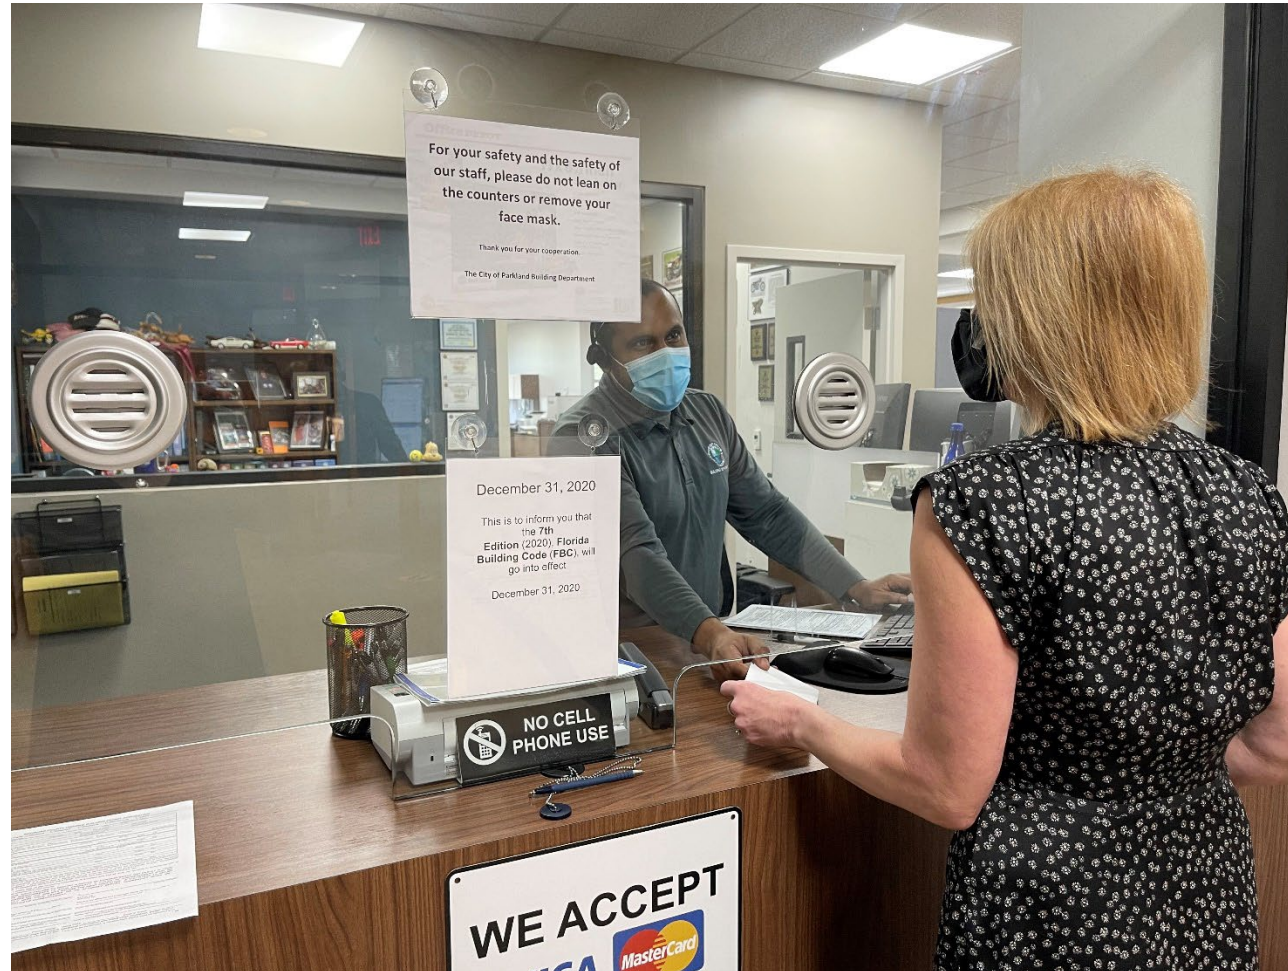

The Commission Chambers is where important meetings are held. If I go to a meeting, I will use my listening ears and use my inside voice if it is my turn to talk.

The conference room is where smaller meetings are held. If I go to a meeting, I will use my listening ears and use my inside voice if it is my turn to talk.

The Development Services Department is where I go if I need to build or fix something at my home. I can be polite and ask for help here.

The Finance Department is where I go if I need to pay a bill from the City. I can be polite and ask for help here.
